

# AACI BALTICS KOSHER TOUR

TALLINN – RIGA – VILNIUS

MAY 13-22, 2012

---

Join AACI as we visit the former Jewish Homelands, where Torah was studied, great Jewish thoughts were put to paper, and the sound of Yiddish caressed the villages. You will encounter still-viable Jewish communities, gaining first-hand experience of the influential extent of centuries of Jewish life in these countries.

Along with your local Jewish guide, you will encounter still-viable Jewish communities, gaining first-hand experience of the influential extent of centuries of Jewish life in these countries. You will also delight in some of Europe's little known pearls (Medieval Tallinn in Estonia is cited on many current lists as one of Europe's most exciting cities).
