Sharona Liman is a talented, bilingual and experienced Israeli tour guide who will give us an illustrated lecture on **Jerusalem the Gold**, in which she will outline her three special areas of interest:

- ❖ Original sources for the term **City of Gold**.
- ❖ The fascinating archeological history of the golden artefacts that have been uncovered from Jerusalem throughout the ages.
- ❖ The inspiring story of **Naomi Shemer's** popular and much-loved song, **Yerushalayim Shel Zahav** from the Six Day War.

Sharona was born in Kfar Saba to a family who spoke both Ivrit and English at home. After her service in the IDF she attended Beit Berl College, graduating with both a Teaching and a Tour guide certificate, specialising in the history of Jerusalem. She has worked with Zionist groups in Mexico and the USA as well as in here in Israel and regularly guides to all areas of the country.
