Let There Be Laughter

Guided tour of Exhibitions at Beit Hatfutsot Museum and special program with

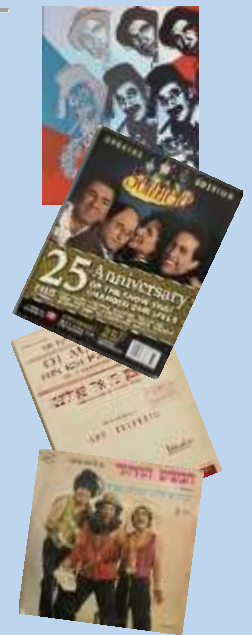

BENJI LOVITT

4.30pm Thursday 25 October

Guides from **Beit Hatfutsot (Diaspora) Museum** will show us the **Synagogue Hall display** Hallelujah! Assemble, Pray, Study –Synagogues Past and Present and the new temporary exhibit **Let There Be Laughter - Jewish Humor Around the World**. What makes Jews so funny? And how did “The People of the Book” turn out to be superstar writers, producers and comedians? The museum takes a lighthearted look at the origins of Jewish humor and the major contributions of Jews to the rise of a global industry.

After our guided tour of the exhibitions, there will be time for a coffee break at onsite kosher eatery (not included in price).

We then meet up with noted comedian **Beni Lovitt**, for a unique conversation where we explore the topics of Jewish humor, identity, and where exactly the "boundaries" lie. Benji's observations on Israeli society, combined with his lifelong involvement in Jewish education, create a hilarious narrative that has brought smiles to faces all over the world.
