NEW MEET & EAT LUNCHEON
12.30pm
Wednesday 15 March

Join us for a kosher lunch at

Myriam's Grill
11 Gad Machnes, Netanya

We are continuing our Meet & Eat luncheon program in a different format. We plan that every few months, we will hold our social luncheon program at a different venue.
For the first of our new style luncheons, we have chosen the very popular **Myriams Grill Restaurant.** The price includes a full served meat lunch (vegetarian option available on request when booking).
Our luncheon will be a leisurely social affair, an opportunity to enjoy the company of new friends and old.

For those who do not get around so easily, we have a team of volunteers on hand to help get to and from the restaurant. If you would like help getting to the luncheon please tell the box office when you make your booking.

Reservations must be made by Thursday 9 March
