MEET AND EAT ITALIANO STYLE!

12.00noon Monday 13 November

Social lunch at Netanya AACI, 28 Shmuel Hanatziv, Netanya

We are glad to announce that we are resuming our Meet and Eat Club, but in a different format. Every couple of months we will invite you to an unforgettable afternoon – every time a different theme.

This November we are going to have a luncheon with an Italian flavor, in cuisine and culture. This will be a leisurely affair which will include a delicious Italiano style meal with an entertainment program with the same flavor! A catered, kosher full course luncheon served by our cheerful team of volunteers.

We have a team of volunteers on hand to help members who need help to and from our premises.

This will also give you an opportunity to catch up with old acquaintances and also meet new ones.

The meal is catered by Ma'adanai Avi

For those who do not get around so easily, we have a team of volunteers on hand to help get to, from, in and out of our premises. If you would like help getting here please call our offices ☎09 8330950.
