Reflections of an Israeli Arab

Program presented by StandWithUs

**A talk by YAHYA MAHAMED and
RICHARD CORMAN**

7.30pm Wednesday 23 August

We welcome **Yahya Mahamed** who was born in Umm Al Fahm, an Arab city in northern Israel. Yahya had a typical Arab upbringing. He was indoctrinated from childhood to hate Jews and deny Israel's statehood. He began having regular interactions with "everyday" Israelis which challenged the negative views he had been encouraged to develop. Yahya recognized Israel's struggle for co-existence and desire for a peaceful future despite being surrounded by many strategic threats. After realizing that he had been intentionally misled, Yahya decided to do everything within his power to combat the negative stereotypes and demonization of Israel. Not long afterwards, he joined StandWithUs as an educator, sharing his experience and the truth about Israel to international groups.

Our program has been arranged by **Richard Corman**, Development Executive of StandWithUs, an international, non-profit organization, which believes that education is the road to peace. StandWithUs is dedicated to informing the public about Israel and to combating the extremism and anti-Semitism that often distorts the issues. Richard will tell us about StandWithUs.

Program takes place at Netanya AACI, 28 Shmuel Hanaziv, Netanya.
